EXECUTIVE SUMMARY

Business consultant and transformation architect with over two decades of experience driving **AI-led growth, digital transformation, and market expansion** across **media, real estate, OTT, fintech, edtech, e-commerce, lifestyle, jobs, music, television, subscription, mobility, brands, product partnerships, and technology sectors.**

Has built and scaled growth ecosystems for **Times Group, India Today, Cars24, Network18, Byju's, Yahoo, Amazon, CRED, Tencent, Antler Group, and Sportskeeda** - integrating strategy, content, and data intelligence into sustainable revenue systems. **Rudra has shaped how content, data, and technology convert into real revenue.**

Delivered enterprise-scale outcomes through **audience growth, automation, and monetization design** across multiple platforms. Led a **direct team of 50** and a **cross-functional network of over 100 professionals** across product, technology, content, and sales to execute complex transformation programs.

Founder of **AI Vidhyarthi**, India's first grassroots AI literacy initiative, and **RK Consulting Group**, a strategy collective helping enterprises operationalize AI for performance, retention, and market expansion.

Overall Business Impact

Created **over USD 25 million in cumulative business value** across media, auto, and technology ecosystems - bridging AI systems, growth design, and monetization strategies that connect technology, teams, and revenue at scale.

SELECTED LEADERSHIP & ADVISORY IMPACT

Company	Role	Core Outcome
Times Group (BCCL / Times Internet)	Chief Growth Officer / Business Head	Scaled 34 digital business units 10× in audience; added ₹200 Cr (~USD 25M) in digital revenue; partnered with Google & Microsoft for monetization pipelines.
India Today Group	Chief Strategy Officer	Unified TV + Digital under one AI-led growth model; achieved 1.3× revenue growth through automation and data-led content operations.

Cars24	Strategic Advisor	Built AI-powered search and discovery systems; boosted organic leads 22%, reduced CAC 18%, improving conversion-to-sale outcomes.
Network18	Strategy Consultant	Automated video tagging & regional workflows; scaled YouTube viewership 4× and raised ad yield 35%.
Byju's Group	SVP, Global Growth	Expanded into 12 markets; cut CAC 25%; increased share of organic-driven revenue.
Tencent (Joox)	Growth Partner	Launched and scaled Joox in SEA; improved retention 30%.
CRED / Interakt	Growth & Strategy Advisor	Designed growth-to-revenue frameworks for fintech and SaaS ecosystems driving early-stage scalability.
Sportskeeda	Global Growth Advisor	Expanded global reach from 20M to 100M+ monthly users; doubled international ad revenue.

VENTURE & PORTFOLIO ADVISORY

Antler India Group - Growth Advisor
Mentors portfolio founders on AI-led product strategy, user acquisition, and zero-to-scale growth design. Helps startups align product-market fit, storytelling, and monetization systems.

ENTREPRENEURIAL EDGE

AI Vidhyarthi - Founder & CEO
India's first grassroots AI literacy initiative, focused on Tier 2 & Tier 3 students and colleges. Built partnerships with universities and reached 2,000+ learners in under a year.

RK Consulting Group - Founder & Principal Consultant
Advisory practice helping startups and enterprises operationalize AI and digital growth. Works with leadership teams on strategy, product-market fit, and GTM systems.

Best Fresh Fries (BFF India) - Co-Founder (Exited)
Built and exited India's first premium fries QSR brand within 2 years of inception - scaling from concept to acquisition with profitability.

THOUGHT LEADERSHIP & INDUSTRY CONTRIBUTION

- Contributor, **The Times of India Blog** and **INMA Global Blog**, writing on AI, media economics, and digital transformation.
- Speaker: **Google I/O, INMA Global Summit, MMA India,** and university-led digital forums.
- Advisor: **India Today Media Institute** on curriculum design for “AI in the Newsroom.”
- Mentor: **Antler India, Google for Startups, and early-stage AI founders.**

PERSONAL PHILOSOPHY

Practices natural farming at his native place in Andhra Pradesh - a reminder that sustainable growth comes from balance, not speed.

> **“AI teaches scale; soil teaches patience. Real growth needs both.”**
